

SIGNUMAT CALIPER – NEW & IMPROVED

Even more robust. Even more durable. Same price.

Previous version:
Polyamide plastic (dark orange)

New version:
Polycarbonate plastic (light orange)

Our proven caliper now comes with greater strength.

- ✓ **New material: Polycarbonate** instead of the previous polyamide
- ✓ **Extremely shatterproof:** withstands the toughest field conditions
- ✓ **Maximum robustness:** ideal for daily forestry use
- ✓ **Weight and handling:** familiar comfort in application
- ✓ **Same price:** higher quality at no extra cost
- ✓ **Same article number**
